

June 2022

# SPECIAL NOTICES

## **Date of Spring Cleanup Changed to Saturday June 18.**

Due to some extra work needing to be done in connection with resurfacing the courts, we need to change the date of our spring meeting and cleanup to **Saturday June 18**. We will meet at the community park at **9:00 AM**, grab some light refreshments, work on the park for about an hour, then hold a short meeting at 10:00.

The focus will be removing weeds and overgrown brush around the courts and in the sand beds and parking area. Please bring any tools you may have for this purpose. We hope to have some mowing and spraying done beforehand.

This is the one opportunity each year to contribute to the beauty and function of our community, as well as to make or renew acquaintances with your neighbors. Please come if you can.

## **Aspen Cove Roads Closed Tuesday June 14 for Dust Control.**

This is a reminder to plan accordingly. It would be best to stay away on Tuesday. Extensive watering and grading will be happening on Monday as well.

## **Pleasant Valley Days July 1-2.**

Please see the enclosed flyer for the details regarding the annual Pleasant Valley Days celebration.
