

07/17/2020
Lot owners,

I drove by everyone's lots yesterday (7/16/2020) from the main road to inspect for Thistle. We have several lots that have thistle that needs to be removed. If your lot is on this list please make sure you get up to Aspen Cove as soon as possible to get the thistle taken care of. If you cannot make it up please make arrangements to have it removed. I will be going back up, August 1st to do another inspection. As mentioned in previous years, we as a board do not want to fine lot owners for not removing the thistle from their lots, so please make sure it is removed A.S.A.P. so we do not have to issue any fines.

If your lot is on the list it will have a 1, 2 or 3 next to your lot number, all of them are indications that you have thistle that needs to be removed. If you have a 1, it indicates I noticed 1-5 thistle, 2 indicates 5-10 and 3 indicates 10+. Keep in mind this was done from the main road, I did not walk on to each of your lots to inspect the entire lot.

If you have any questions or concerns with what I am indicating for your lot please let me know.

Lot 4	3
Lot 8	3
Lot 9	3
Lot 11	3
Lot 18	2
Lot 20	1
Lot 24	1
Lot 32	1
Lot 50	1
Lot 67	1
Lot 68	2
Lot 76	3
Lot 77	1
Lot 85	2
Lot 88	1
Lot 90	2
Lot 91	3
Lot 95	2
Lot 105	1
Lot 123	1
Lot 132	2
Lot 134	3
Lot 135	1

Lot 136 2
Lot 137 1
Lot 138 1
Lot 139 3
Lot 140 3

Also, this year we did not end up having our annual work party due to Covid-19. Several people have asked if there is anything they can do to help. We would love some help cleaning up thistle down the dugway as well as cleaning up around the common area where the tennis courts are. Thanks to Kevin & Jill Edwards for spraying a bunch of the thistle going down the dugway and to everyone else that has gone the extra mile helping keep our community looking good! :)

Thank You!

Allen Rowe
